

PERFECT STRANGER

The game of knowing people

2-10 players 2 min to learn

10 to 40 min to play Ages 14+

How well do you know your friends? Or people in general? Put it to the test in the exhilarating party game Perfect Stranger! Perfect Stranger is delightfully simple – anyone can pick up and play in minutes.

Simply select a Question card and read it to the group. Questions are things like “Do you believe in ghosts?”, or “Would you rather have 10min on the moon OR a paid vacation in the Bahamas?” or “Is it okay to deny a gift if it’s something you already have?” Then, everyone answers the question by placing a YES or NO card face down in a pile. All players select numbered cards of how many YESes they believe are in the pile. Whoever guesses correctly wins a point! Incorporate Action cards to make the game even more exhilarating!
